

Compassio

music for SATB choir

composed by
David Archer

compassio = compassion

Compassio is a choral prelude. It expresses that small acts of kindness and partnership can add up to something big.

The Latin word "compassio" is exploded and then reassembled with joy, hope, and a bit of playfulness.

This music reminds me that well-meaning words need to be paired with action.

This music was premiered by Vox Humana in Victoria, BC, Canada, on March 16, 2013.
